Dear Friend,

West Valley City Animal Services is excited to announce an upcoming fundraising event to be held on September 28, 2013 at the West Valley City Animal Shelter. We are hoping to raise much-needed funds for our programs and to hold our third annual PetFest pet health and wellness fair for West Valley City residents. This event saw amazing success in the first year, and doubled in size last year. 2013 should prove to be even more exciting and successful. We are hoping you would like to be part of the success by helping to support our event.

Any support you can offer is appreciated. We would like to ask you to consider providing an item or gift certificate for our prize drawing. Additionally, any organization making donations over \$250 in cash or in-kind will also have their logo on the event website and on posters at the event. Any donations would be very much appreciated. This event is being organized by West Valley City, our federal tax ID is 87-362454.

If you have any questions, please don't hesitate to contact us. On behalf of PetFest, thank you for your consideration.

Sincerely,

Craig Thomas
